

Northwood Elementary School PTA
Volunteer Interest Form
2009-2010

Thank you for your interest in volunteering at Northwood Elementary. Volunteer programs truly enhance the educational experience of all children attending our school. Please read through the list of committees below and put a checkmark by any/all that you would be interested in learning more about. The Chair for any committee in which you express interest will contact you close to the time that committee's activity is scheduled to take place, and you can choose to participate or not at that time. Committees are described in detail on the Northwood PTA website: NorthwoodPTA.com.

Thanks in advance for your help!
